THAT WAS  
THE SAME  
THING.

WORLD, THE  
GREATEST EVIL  
TEND TO BE CAUSED  
OUT BY A SINGLE  
EFFICIENT HUMAN  
ORDER.

WHILE THE  
MOST GOOD HAS  
BEEN DONE DURING  
TIMES OF CONFUSION.

OUT OF  
CHAOS, SOME GARRONS  
WAS ONE WITHOUT  
THE OTHER. CHAOS  
-SPREADING CHAOS, AND  
ORDER FEELS CHAOS,  
WHICH TO WAS  
BALANCE MOST OF  
NATURE.

SOME  
MAYNERS IN  
CAPITAL FORGOT  
DEUT.

THEY SOUGHT  
TO CREATE A  
WORLD OF PEACE  
OWNED WITH THEIR  
COOLING NEURAL  
IMPLANTS.

BUT WHILE THEY MAY HAVE  
ELIMINATED MANHORN'S  
ABILITY TO EXPRESS ITS  
DARKER EMOTIONS, THOSE  
FEELINGS—THAT CHAOS—  
STILL EXIST.

IT'S JUST  
FOUND ANOTHER  
WAY TO GET  
OUT.

THE  
FLOOD.

THE ARTIFICIAL  
ORDER OF EARTH  
CREATES  
MONSTERS.

WHILE  
THE UNORDERED  
ORDER OF THIS  
PLACE BATTLE  
WILL SEE FOR  
ITSELF!

BE  
AFTER!

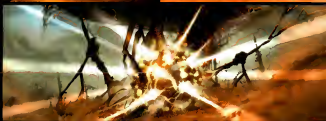

YOU CAN  
OUTLAST  
US!

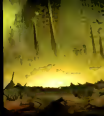

BE  
AFTER!

THEY  
WILL  
BE  
KILLED  
HERE!

IT'S ALL A  
CIRCLE. ORDER  
PROTECTS  
CHAOS.

CHAOS  
PROTECTS  
ORDER.

AND ON THAT  
NOTE, I SHALL  
TAKE MY  
LEAVE.

WHAT?  
NOW?

BEHOLD, DIMENSIONAL  
GATES. WHILE TO  
ONLY THE MOST  
ENLIGHTENED, PERFECT  
MIND, I'M AFRAID  
YOU WON'T  
UNDERSTAND.

GET AS HAPPY  
WORK AS YOU'RE  
A PIONEER, THE  
FIRST LIVING  
MAN TO WHAT  
WILL.

WHO KNOWS,  
PERHAPS  
THOSE THREE  
WILL HAVE  
NOT TAKEN  
NOTE.

HAHAHAHA!

KUDANAGU!

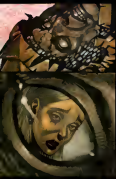

YOUNG  
GOLDIE

HELP  
ME.

TAEP!

UP!

...GODDAMN!  
THANKS

IT'S WHAT  
I'M HERE  
FOR.

THE WORLD IS  
BEING LAPPED  
APART.  
LARGE.

WE NEED  
TO GET TO  
HIGHER  
GROUND!

YOU CAN'T  
OUTRUN THE  
APOCALYPSE!

## This Issue

Kusanagi's minions pour into the city, slaughtering all who stand in their way, and while Trep, Beehive and Yuno do their best to fight back the horde, there are just too many of them. Meanwhile, Jerome and Dr. Jerome search frantically for a way to stop Kusanagi once and for all, but with little luck. Annihilation has arrived-the world is ending-and there's nothing PHOBIA can do about it.

**Reality shatters.**

The wall between our world and the spirit realm has been torn down,  
freeing long forgotten evils, things spoken of in whispers if at all.

Monsters pour into the city, cutting its veins of blood and havoc, clearing the way for their master: Kusunagi,  
the mad god bent on punishing humanity for its weakness and hubris.

PHOENIA fights, but they know deep down that even if they win, they lose.  
Hundreds of people are dying each minute as the demonic hordes exact their lord's revenge,  
and there is nothing the team can do to bring them back.

The chance to defeat Kusunagi and spare the world has passed,  
now the best they can hope for is survival.

And even that is nowhere near guaranteed.
